

Many 'Gummen' Join Battle At The Traps

W. B. Ogden and A. H. Winkler Score 98 Out of a Possible Hundred

January shooting at the Travers Island traps of the New York Athletic Club came to an end in a blaze of glory yesterday. Forty-seven gunners, the largest field of the year, took part in the shoot. The conditions were ideal, and as a result there was an unusually large number of excellent scores made by the gunners.

No less than two gunners had the splendid total of 98 out of a possible 100 targets in the shoot for the high scratch prize. W. B. Ogden, a member of the club, won the trophy. A. H. Winkler, the other high scorer, was a visitor and simply shot along for targets only.

Being the final Saturday of the month, both the Hasin and the Club Cup contests came to an end. In each event legs were won by the members who had full scores of twenty-five targets. G. S. McArthur was one of the gunners to tally on the Hasin Cup. It gave him his third victory for the trophy, one more than any other gunner. Naturally, he took home the prize. J. C. Taylor turned a similar trick in the shoot for the Club Cup. He won his third leg yesterday. The victory permitted him to become the permanent winner of the prize. The Hasin Cup shoot also came to an end. The trophy has been up for the past three months. Although he did not win it yesterday, E. D. Anderson won the prize with four legs scored during November, December and January. Anderson also was the winner of the Travers Island Cup, the trophy of the month of the month. The trophy of the month of the month. The trophy of the month of the month.

Golf Gossip

The St. Albans Golf Club expects to have a very active golf season this year. The club will have a new greenkeeper, who will devote his entire attention to the club. The club will have a new green and fairway into first class condition, and he will have absolute charge of the course, so that the new professional can devote his energies to the interests of the members and their guests.

The season will be formally opened during the first week in April. The dates awarded the club by the Metropolitan Golf Association—June 12, 13 and 14—for the invitation tournament are most acceptable.

There is a possibility of Louis Toller, the noted French professional, coming to an agreement with the St. Louis Country Club, which is desirous of securing his services.

As there were no national championships played in 1917 and 1918, the high honor of having held both the amateur and the open titles since 1916 rests upon the shoulders of the club. Evans, Jr., who will have both titles to defend this year. He won the open championship in July, 1916, at the Minneapolis Club. In 1917, he won the open title for seventy-two holes, the lowest score ever made in a national championship, and in the fall of the same year he won the amateur championship at the Merion Cricket Club. Winning both the open and amateur championships in the same year was accomplished only once before in the history of golf, and that was by John Ball, Jr., who won the British open and amateur championships in 1890, at Farnwick and Haylake, respectively.

While the Westchester County Golf Association has declined to the Metropolitan Golf Association for 1917, 1918 and 1919 for its annual championships, without deciding upon a course, it has been decided that the event will be decided over the Anawans course.

The Swinney Country Club has made application for the dates of July 23 to 25 for a four day tourney.
